## INSIGHTS FROM THE FOUNDER'S DESK

Mr. Ajeesh V  
Founder & MD

Chanakya began with a clear goal: to make global qualifications such as CMA USA, EA & ACCA available to all aspiring students. Over the years, our students have excelled at top corporations and accounting firms. Their achievements motivate us to continue raising the bar in finance education.

Mr. Akhil Manohar  
CFO

We built Chanakya to give students more than just a course. We offer them opportunities. With demo sessions, exam retake benefits, scholarships, and a student-first system, they will never feel lost or unsupported. Every advantage is thoughtfully designed to support and empower their journey.

Mrs. Anjani Ajeesh  
COO

Chanakya is more than just an institution; it is a dynamic ecosystem of growth and opportunity. We guide, support, and encourage students to push themselves beyond their comfort zones. Your ambition, combined with our guidance, creates a formidable force.
